Dear Parents and Carers,

In the next few days, your child will be bringing home a username and password for Pearson Bug Club. This is an online ebook library for children to access at home. This means that we now have access to more decodable reading books for our children to practise their reading at home. Please note that this is to run alongside the Phonics programme for Reception and Year 1 children. Please access this through the link below. This can be accessed on a phone, tablet or computer.

<https://www.activelearnprimary.co.uk/login>

Our school code is: hpps

Once logged in, please go to 'My Work'. There will be reading books allocated here based on where your child is currently working at in phonics. These books are also used in school so they should be familiar with the layout of the books.

If you have any issues logging in or accessing this at home, please speak with Mrs Harper-Taylor.

Best Wishes,

Mrs Harper-Taylor

English Lead
