

Annex 1

COVID-19 school closure arrangements for Safeguarding and Child Protection at Heaton Park Primary School

School Name: Heaton Park Primary

Policy owner: June Kirkwood (DSL)

Date: 3.4.20

Date shared with staff: 9.4.20

1. Context

From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

This addendum of the Heaton Park Primary Safeguarding, and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

1. Context	2
3. Vulnerable children	3
4. Attendance monitoring	4
5. Designated Safeguarding Lead	5
6. Reporting a concern	5
7. Safeguarding Training and induction	6
8. Safer recruitment/volunteers and movement of staff	6
9. Online safety in schools and colleges	7
10. Children and online safety away from school and college	7
11. Supporting children not in school	8
12. Supporting children in school	8
13. Peer on Peer Abuse	9

Vulnerable children

Vulnerable children include those who have a social worker and those children and young people up to the age of 25 with education, health and care (EHC) plans.

Those who have a social worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

Those with an EHC plan will be risk-assessed in consultation with the Local Authority and parents, to decide whether they need to continue to be offered a school or college place in order to meet their needs, or whether they can safely have their needs met at home. This could include, if necessary, carers, therapists or clinicians visiting the home to provide any essential services. Many children and young people with EHC plans can safely remain at home.

Eligibility for free school meals in and of itself should not be the determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Leads (and TSL's) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Heaton Park Primary will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority for looked-after and previously looked-after children. The lead persons for this will be: Paul Lord, June Kirkwood, and Emma Read.

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Heaton Park Primary will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Heaton Park Primary or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Heaton Park Primary will encourage our vulnerable children and young people to attend a school, including remotely if needed.

Attendance monitoring

Local authorities and education settings do not need to complete their usual day-to-day attendance processes to follow up on non-attendance.

Heaton Park Primary and social workers will agree with parents/carers whether children in need should be attending school – Heaton Park Primary will then follow up on any pupil that they were expecting to attend, who does not. Heaton Park Primary will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

To support the above, Heaton Park Primary will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Heaton Park Primary will notify their social worker.

Designated Safeguarding Lead

There is a lead and or trained DSL available on site each day. Where this is not the case a lead/ trained DSL will be available to be contacted via phone when working from home.

If a lead/trained DSL is not on site, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection online management system, CPOMS and liaising with the offsite lead/ trained DSL and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school.

It is important that all Heaton Park Primary staff and volunteers have access to a trained DSL. On each day staff on site will be made aware of who that person is.

The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy, this includes making a report via CPOMS, which can be done remotely.

In the unlikely event that a member of staff cannot access their CPOMS from home, they should immediately contact the Designated Safeguarding Lead – Paul Lord and or June Kirkwood. This will ensure that the concern is received.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should report the concern to the headteacher. If there is a requirement to make a notification to the headteacher whilst away from school, this should be done verbally and followed up with an email to the headteacher.

Concerns around the Headteacher should be directed to the Chair of Governors: Alex Vogt.

Safeguarding Training and induction

DSL training is very unlikely to take place unlikely to take place whilst there remains a threat of the COVID 19 virus.

For the period COVID-19 measures are in place, a DSL or TSL who has been trained will continue to be classed as a trained DSL or TSL even if they miss their refresher training.

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2019). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Heaton Park Primary, they will continue to be provided with a safeguarding induction.

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:-

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual
- the individual has received appropriate safeguarding training.

Upon arrival, they will be given a copy of the receiving setting's child protection policy, confirmation of local processes and confirmation of DSL arrangements.

Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Heaton Park Primary will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2019) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact.

Where Heaton Park Primary are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity.

Heaton Park Primary will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 163 of KCSIE.

Heaton Park Primary will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 166 of KCSIE and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing Misconduct.Teacher@education.gov.uk

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Heaton Park Primary will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.

Online safety in schools and colleges

Heaton Park Primary will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

Children and online safety away from school and college

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Heaton Park Primary will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

No virtual lessons will be delivered by staff.

Supporting children not in school

Heaton Park Primary is committed to ensuring the safety and wellbeing of all its Children and Young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded on CPOMS, as should a record of contact made.

The communication plans include; phone contact (weekly care calls), door-step visits (where this is deemed safe to do so). Other individualised contact methods will be considered and recorded.

Heaton Park Primary and its DSLs will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan will be reviewed regularly (at least once a fortnight) and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website.

Heaton Park Primary recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers at Heaton Park Primary need to be aware of this in setting expectations of pupils' work where they are at home.

Heaton Park Primary will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

Supporting children in school

Heaton Park Primary is committed to ensuring the safety and wellbeing of all its students.

Heaton Park Primary will continue to be a safe space for all children to attend and flourish. The Headteacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Heaton Park Primary will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the

advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Heaton Park Primary will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them. This will be bespoke to each child and recorded on CPOMS.

Peer on Peer Abuse

Heaton Park Primary recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims.

Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded on CPOMS and appropriate referrals made.
