

The Eco Times

By Heaton Park Eco Warriors

Each term we would like to keep you up to date with the different things we as the Heaton Park Eco Warriors are doing but firstly, we would like to introduce ourselves. In year 6 we currently have over 20 Eco Warriors. We also have Eco Warriors from year 2 onwards.

Meet the team

What we have been up to

Greenhouse Project- Operation Recycle

As you may be aware, we recently won a recycling competition which was launched to all schools in Bury. We decided to make a greenhouse using plastic bottles and filled the bottles with positive messages about recycling. It was amazing to win this competition and a huge thank you to all who voted for us.

Councillor Alan Quinn, Cabinet Member for Environment, Climate Change and Operations, visited our school and was very impressed with the work we have done so far. This is what he had to say *"I was delighted to visit Heaton Park Primary School and congratulate the children on winning for their greenhouse design. It is amazing to see young people so passionate and eager to fight against climate change. Young people are our best ambassadors for climate action, and I very much look forward to seeing more great things from Heaton Park's Eco Warriors."*

Love Your Community

We wanted to spread the love this Valentines Day by showing our community some love and care. We chose to make a food donation to a local foodbank, do some planting on the school grounds and to do a local litter pick. We had some lovely feedback from Brandlesholme Foodbank where some of our Eco Warriors dropped off your kind donations. We were very proud of how well our children represented our school.

Our upcoming projects:

- *Global Recycling Day clothing donation
- *Planting on our school grounds
- *Den Day
- * Eco Warriors fund raising

How you can help!

- *Download the free Treeapp and help plant millions of trees a day.
- *Global Recycling Day - Send in 1 item of clean, unwanted clothing for our donation to the community centre.
- *Support our Eco Warrior fund raising events.

We will be leaving a **suggestions box** at the entrance of the school. If you have any suggestions, please feel free to drop them in and we will try our best to action these.

Thank you for taking the time to read our newsletter.
