Friday 7th June

Dear Parent/Carer,

Next week, as part of our wider curriculum, children will be engaging in a number of exciting activities aimed at developing children's knowledge and understanding of money. During 'Economics Week' children will have the opportunity to: learn about how to manage money; develop their ability to become critical consumers; manage risks and emotions associated with money and understand the important role that money plays in our lives.

In addition, on Wednesday 12th June, parents and carers are invited to attend 'Money Workshops', where you will be able to engage in a range of money related activities with your child. Workshops will take place in your child's classroom and will run from 3.30pm until 4:15pm.

We hope you will be able to attend with your child and look forward to seeing you there. If you have any questions, please do not hesitate to ask your child's class teacher.

Thank you for your support,

Mr. P. Ridley
Assistant Head Teacher
