Dear

parents/carers

Next week in History we are looking at our favourite toys. We are asking if you would do a little project with your child and find out what:

- 1) Your child's favourite toy is
- 2) Your favourite toy was when you were a child
- 3) Their grandparents favourite toy was when they were a child. (if possible)

If you could please email [y1@heatonparkbury.com](mailto:y1@heatonparkbury.com) before next Tuesday (17<sup>th</sup> October) with the list toys that would be great.

You can choose one of 2:

- Just the names of the toys - yours and your child's (and grand parents if possible)
- The names and pictures (just from google) of your favourite toys

We really appreciate your support in this. The children absolutely loved their baby photos we did in the first week of term. Hopefully they will be just as excited with this.

If you have any questions, please come and speak with us.

Many thanks,

Mrs Heys and Miss Hughes
