## **Information to support our families:**

**There is currently a food pantry available at Victoria Youth and Community Centre in Whitefield every Tuesday and Thursday between 10am and 12.30pm.**

**This is an amazing service for any of our families who might be struggling financially at the moment. The pantry is currently providing a variety of fresh and cupboard groceries (Quantity and items will vary depending on donations/items received) for £2.50 per family.**

**For more information or to access the Community Pantry there is no need to register just turn up between those times!**

**The centre will also be offering activities and services throughout the summer holidays – we will keep you updated.**
