Dear Parents/Carers,

As some of you will be aware, we have started a new phonics program called 'Supersonic Phonic Friends'. We have now aligned our reading book system and have purchased fully decodable books for your child to read in school and at home. These books will be matched to your child's current phonic phase and your child will only be given books that include sounds that they have already been taught. Due to this, your child's reading book band may have changed slightly. Please do not be alarmed by this. This will be due to our reading books being aligned to the new phonics program.

Your child will still bring home 2 books each week, 1 book will be fully decodable and the other will have some decodable words in. As we look to purchase more fully decodable books, your child will bring home 2 fully decodable books each week.

We would like to thank you for your continued support with reading with your child at home. If you have any queries about our new phonics program or readings books, please do not hesitate to contact me via the main school office.

Best Wishes,

Mrs Harper-Taylor
English Lead
