Dear Parents/Carers of Nursery Children

As you are aware, over the weekend we had a confirmed COVID-19 case amongst Nursery staff. This affects all nursery children who were in school on the morning of Thursday June 24th.

Therefore we are asking all these children affected (Nursery Morning Group and Nursery F/T Group, unless absent on Thursday) to remain at home and isolate until the end of **Sunday July 4th** and return to school will be **Monday July 5th**.

Nursery is open as normal for those children who were absent on Thursday morning and the Nursery Afternoon Group. Siblings should still attend school as normal unless any member of their household develops symptoms or is being tested. All positive results (both lateral and PCR) are to be reported to school using contact@heatonparkbury.com

Work will be set on Seesaw during this period as in previous closures. Please keep a close eye on text messages and correspondence from school in the coming days in case we need to make any amendments to these dates.

Kind regards and Best Wishes

Mr P.J. Lord

Head Teacher **Mr P Lord**
