

Nursery 2024

Little Barn Mobile Farm Visit

Dear Parents/Carers of Nursery children,

On Monday the 17th of June 2024, we will receive a visit from 'Little Barn Mobile Farm' who will bring a wide selection of farm animals to our school, providing a unique, hands-on experience! The farm company will create a 'mock' farm on our school grounds and give children the opportunity to look closely at the animals, pet them, feed them and even hold them. The visit will aid children's learning about the farm which will be our topic after half-term. Farm produce and some equipment used on the farm will also be on hand for the children to see. The children will learn about the production of milk, growing of cereals, the range of machinery used on farms and much more.

The **total cost** of experience is £7.00. Please pay this using the online payment system by Friday the 14th of June.

If you would like to discuss any of the above, please don't hesitate to call in and speak to us.

Kind regards,

Mrs Richardson and Mrs Hood.
