Re. Early Years Nursery Class

Dear Parents/Carers

Once more I am writing to thank you for your patience and understanding as we make further necessary changes to our nursery provision.

As a school, we are constantly assessing and revisiting our COVID-19 Risk Assessment and Action Plan, and with this in mind, we will be making further changes to the timings of the Nursery Class day as of Monday May 17th 2021.

As you may be aware, across the school as a whole we have staggered drop off and pick up times to ease the flow of parents, and staggered lunchtimes to enable bubbles to dine independently to one another. This is not the case for Nursery Children. In order for your child/ren to receive their allotted hours (Universal 15 or Full Time 30), please adhere to the following session times:

Morning Session: 08:45-11:45

Afternoon Session: 12:20-15:20

We do not operate a staggered drop off or collection for Nursery Pupils. Children who do not arrive in time for the start of their session are missing out on valuable learning time and also disrupting the experience of their peers.

If you have children in additional year groups, please ensure your Nursery child arrives in time for a 08:45 drop off before you continue around school with their sibling(s). Likewise, please collect your older children at their allotted class collection time before waiting for Nursery to finish at 15:20.

Session prices remain at £20 per child per session, and for those children who have a fulltime place, there is still the additional lunchtime cover charge of £1.50 daily. All nursery payments are to be made online via www.bury.gov.uk/payforit, should you need any assistance with this process please contact the School Office.

Kind Regards

Mr P J Lord, Head Teacher

COVID-19

If any of your household have symptoms or are waiting for test results, DO NOT send your child to school. The whole household must isolate.

If you are unsure please phone NHS111 or visit <https://111.nhs.uk/covid-19/>
