Friday 19th April 2024

Dear Parents and Carers,

Our Reception trip to Runway Visitor Park is now fast approaching and so I wanted to give you a little more information.

On Wednesday 24th April 2024, please make sure that your child arrives at school on time for 9am so that we are able to set off on our trip on time. Your child will need to wear school uniform with sensible and comfortable shoes. The weather is set to be dry, however please provide a waterproof coat as the weather is changeable.

Your child will also need a packed lunch on the day unless you have already ordered one from the school kitchen. Please note that orders from the school kitchen have now closed and sandwich choices have been taken for those children that have ordered a school packed lunch. Please make sure that the packed lunch is in a disposable bag with your child's name on it. Please also make sure that grapes are sliced as these are a choking hazard and that it does not contain any nuts as we do have severe nut allergies in Reception. Please also make sure that your child has a disposable water bottle with them. If your child had medication such as an inhaler in school, we will take this with us on the day.

We are aiming to be back at school before the end of the school day but this is dependent upon traffic. If there is a delay, we will notify you by text message. If you have the text messaging app, we advise deleting it so that the alerts come through to your phone and do not rely on you checking the app.

If you are yet to pay for the school trip, please do so ASAP as the trip going ahead is dependent on school receiving payment for all children attending.

If you have any questions, please ask a member of the Reception staff.

Thanks for your continued support,

The Reception Team
