Thursday 1st July 2021

Dear Parents/Carers of Children in Reception Class

As you are aware, this morning we were informed about a positive lateral flow test result within the Reception Bubble. Therefore we are asking all children in Reception to remain at home and isolate until further notice. This is likely to be until the end of **Saturday July 10th** and return to school will be **Monday July 12th** (awaiting PCR confirmation). **You will be contacted individually if your circumstances are any different.**

Siblings should still attend school as normal unless any member of their household develops symptoms or is being tested. All positive results are to be reported to school using contact@heatonparkbury.com

Work will be set on Seesaw during this period as in previous closures. Please keep a close eye on text messages and correspondence from school in the coming days in case we need to make any amendments to these dates.

Kind regards and Best Wishes

Mr P.J. Lord

Head Teacher **Mr P Lord**
