Dear Parent/Guardian,

I would like to introduce you and your family to the School Nursing Team. Now your child attends primary school, you will no longer receive support from a Health Visitor, you and your child will now receive support from a school Nurse.

The School Nursing team can support you and your child with any health concerns you may have, support you with bedtime/daytime wetting/soiling concerns, fussy eating, weight management, anxiety support, sleep support, behavioural support and can support you with any medical conditions / care plans your child may have.

The school Nursing team will also go into your child's school to complete the National Child Measurement Programme for Reception and year 6 children, if you do not wish for your child to participate you have the option to opt out within the questionnaire.
More information regarding the National Child Measurement can be found by following this link;
www.nhs.uk/live-well/healthy-weight/childrens-weight/national-child-measurement-programme/

Please follow the link below to complete the questionnaire, it is simple and straight forward to complete, you will just need a username and password to set up.

https://app.schoolscreener.com/Portal/#/bury/p/Bh201/105306

Please can this be completed by the 31st December 2023

Some useful links which may be helpful for your family are:
Night-time wetting advice - https://eric.org.uk/
A good website for sleep advice is - www.thechildrenssleepcharity.org.uk
For behaviour support - https://parents.actionforchildren.org.uk/behaviour/

If you are struggling to complete the questionnaire, please e mail parentsupport@schoolscreener.com
If you have any queries, please do not hesitate to contact our service with any queries on the e mail below.

Kind regards
School Health Team
