SEND Youth News

What we've been up to

By Scout Stirling

As we've been eagerly awaiting the re-launch of our programme in our new venue, the Elizabethan Suite, we all went on a trip to the bowling alley to see our friends, have a catch-up, and play a few games together. It was great to see everyone and we're so excited to get back to youth club!

Our football teams, the Bury Bears and Bury Cubs, have also been away recently to play in a tournament against four other pan-disability football teams in Leyland. Everyone travelled in from all over Lancashire to play some football on a gorgeous, sunny day. We had so much fun competing and we're all really looking forward to the next match!

In other exciting news, Bury's SEND Youth Voice Network hosted their first ever youth-led SEND conference with the help of the Youth Cabinet. We had students representing seven different schools, including our specialist provisions Millwood and Elms Bank, plus twenty-two of Bury's top decision makers all come together to have discussions around bullying, safety, accessibility, and displacement. It was a fantastic day with so many voices and ideas being shared. We want to say a huge thank you to every single young person who attended and made the day possible – we couldn't have done it without you!

SEND Graduated Approach Toolkit

The Graduated Approach Toolkit (GAT) is an online resource to support Bury schools, services and families with understanding and using the Graduated Approach as outlined in the SEND Code of Practice. The Toolkit can be found here: [Bury SEND Graduated Approach Toolkit | The Bury Directory](#)

The Continuing Professional Development programme supporting the implementation of the Graduated Approach Toolkit is continuing throughout this academic year and sessions for the remainder of the spring term, and the full summer term are shown below. Attendance at the events is open to all. Some of the new sessions are specifically offered with SENCOs in mind but this doesn't preclude other practitioners from attending if they would be of interest.

GAT familiarisation sessions

These 30-minute sessions offer a virtual walkthrough of the Toolkit. They are repeats of the autumn term and spring 1 sessions and are for **any practitioner** wishing to understand how to navigate the Toolkit and explore its contents. Practitioners only need to attend one session.

GAT Drop-in sessions

These 30-minute phase specific sessions will provide an opportunity for **any practitioner** to bring a question or an anonymous pupil case for advice and support in using the GAT. SENCOs and practitioners can attend any sessions; content of the sessions will be in response to the questions raised.

Primary

Sharing GAT Practice for SENCOs

These 30-minute sessions are for SENCOs to share practice in embedding use of the GAT. These sessions will be led by Bury SENCOs from a range of schools who will talk about how they have used the GAT in their own schools. SENCOs can attend as many of the sessions as they would like to gather a range of ideas and inspiration from colleagues.

Strengthening approaches to SEND for SENCOs

These 30-minute sessions are for SENCOs to revisit pre-Graduated Approach systems and to discuss how decisions are made to put children and young people on the Graduated Approach at SEN Support. Home to School Travel Consultation

We have been working with Bury2gether to co-produce a new proposed policy for Home to School Travel for Children and Young People with Special Educational Needs and Disabilities. A series of engagement sessions were held with parents/carers throughout January, during which we received valuable feedback that has been taken into consideration when drafting the proposed policy with Bury2gether.

The revised policy also takes into account the updated guidance issued by the Department for Education; [Travel to school for children of compulsory school age - January 2024](#).

The main changes to the policy are:

- Clearly explaining the forms of travel assistance that may be offered to eligible children and young people. These include mileage reimbursement, personal travel budgets, transport, travel passes and independent travel training.
- Clarifying the Council's statutory duty in relation to pre-school age children, 5-16 year olds, post 16 provision and adult learners (post 19).
- Realigning the assessment for travel assistance with the current Education Health and Care Plan (EHCP) process where appropriate.
- Simplifying the process for a change in circumstances (change of address, school, or the child/young person's individual needs).
- Providing additional flexibility for transport wherever possible to accommodate timetable changes or changes to the school day.

We would like to invite you to submit your views on the proposed policy by completing an online survey. The online survey and proposed policy can be viewed on the following webpage;

<https://www.bury.gov.uk/schools-and-learning/school-and-college-travel-assistance/home-to-school-travel-policy-consultation>.

Please tell us about your views by Friday 5 April 2024. Following the end of the consultation period a report will be presented to the Council's Cabinet members on 17 April 2024.

Blue Light Card provide those in the NHS, emergency services, social care sector and armed forces with an array of online and in-store discounts. Up until now, despite the best efforts of many people and organisations in our sector, Personal Assistants have been excluded from this cohort. This exclusion is partly because of a lack of awareness about the PA role and partly due to difficulties verifying employed PAs.

We contacted Blue Light Card at the back end of 2023 because wanted to try and change this. We explained why we set up ILG PA for employed PAs and what it already does to help recognise and support this hugely important but often undervalued workforce. We also explained the stringent verification process we have in place to identify and register new members.

As a result, I am delighted to confirm that we have now partnered with Blue Light Card - **meaning ILG PA members can now register for Blue Light Card.**

I am sure you will agree that this is a huge step forward for the PA workforce.

If you represent a funding body and would like to discuss how we are planning to roll this out and what you can do to support take up in your area, please don't hesitate to get in touch so we can arrange a virtual or face to face meeting.

Below are some links you might find useful, and I have also attached our latest pdf leaflet for your info.

SENDiass can be contacted by telephone 01706 769634 and email (bury.sendiass@barnardos.org.uk). All queries will be responded to within 2 days.

We thought it would be nice to introduce ourselves – and have included a little information about each member of the team below:

Hayley Chianca – Team Manager

“My name is Hayley and I am the Team Manager for the Bury and Rochdale SEND Services; including the SENDiass team. Prior to my current role, I was a SENDiass practitioner for 8 years. I work full time but in my spare time I enjoy going outdoors with my family and going to the gym.

Afia Jabeen – SENDiass practitioner

“My name is Afia and I am a SENDiass practitioner of 2 years. Prior to this I was a SENDiass Volunteer. I love to spend time with family and friends; and love to explore the outdoors.

Vision and Hearing Impairment/Deaf Education Service

The service aims to provide social activities to support secondary age pupils (11-16y) with a vision and/or hearing impairment in local authority mainstream high schools. Many CYP with a sensory impairment feel socially isolated and the 'Social HI-Eyes' Youth Group, facilitated by the Specialist staff, aims to help young people form friendships, develop skills and enjoy a wide range of social activities.

Alice Brennan, Teacher of the Deaf, is busy researching new activities for the group as we hurtle towards the spring and summer! Pottery, Alpacas, Manchester City in the Community and Manchester Museum are all in the mix but don't tell anyone just yet!

The range of activities offered is broad but due to financial constraints the Social HI-Eyes Youth Group is tasked with raising funds to offset the cost of activities. The Service also explores possible charitable funding for more expensive activities and parents are asked to make a financial contribution.

We are keen to hear your ideas and would love to know of any great venues/events that you have attended locally and think that our youth group might enjoy. Please email Alice or Lesley with any thoughts.

Many thanks.
