Dear Parent/Carer,

From September there will be some changes to SEND support across school. This is due to the high number of needs across school. Please see below a list of staff that will be working in each year group including special support assistants (SSAs). Please note that children are now not allocated '1-1' support hours and whilst their needs will still be supported, they may work with a variety of staff throughout the week. There may appear to be some year groups with higher numbers of staff – this is because of need in these year groups, and support is reviewed regularly, so may be subject to change.
