

Foundations for literacy and language group

Dear Parent/Carer,

I would like to invite your child to take part in a language development group. Your child will receive one, 20 minute session per week, with a focus on vocabulary, comprehension and grammar development. The groups will last 10 weeks.

We know that this programme will have a profound impact on the rate of your child's development in these areas. If you have any questions please ask in school to make an appointment.

Please reply to the school email (contact@heatonparkbury.com) before **Thursday 22nd April** to confirm if you are happy for your child to take part.

Unfortunately, if you do not consent via the school email, your child may not be able to take part.

Thank you,
