**Maths**

Fractions

**Facts/knowledge:** There are 44 countries in Europe. A small number of countries on the continent are transcontinental, meaning they are considered to be a part of both Europe and Asia. Mount Elbrus in Russia (5,642 metres/18,510ft) is the highest mountain in Europe and is part of the Caucasus mountain range. The Volga River in Russia (3,530km) is Europe's longest river.
