

Reception Weekly Newsletter - Summer 2 Week 3

Homework:

Seesaw: Weekly writing activity - writing names/
letter formation/ key words

Reading Books:

RWG: Tuesday and Friday
RH: Monday and Thursday
(if the diary is signed).

English

In phonics this week we are continuing with Phase 4.
We will be learning to read and write **CCVCC** words:
eg crisp, trend, twist.

Tricky words -

In writing we will be creating a poster advertising a
circus.

We will be continuing our guided reading and
concentrating to recognising letters and sounding
words out.

Maths

This week we are looking at spatial reasoning.

We are going to be doing lots of work on positional
language - what is next to the shed? What is above
the fence? What is beneath the tree? Etc

We will be copying a pattern of the teachers and see
if we can make the exact pattern.

We will see if the children can make their own picture
using a variety of objects (buttons, shells etc) and
get them to think about what they are making and the
arrangements that are needed.

Diary Dates:
