

## 2K - SUMMER TERM.

Dear parents and carers,

We can't believe it is already the final half term of year 2! This year has flown by so quickly. Here are just a few reminders for your information.

### Start and Finish Times.

Children can arrive at school between 8.50 and 9.10am. Year 2 finishes at 3.05pm on Monday to Thursday and at 1.20pm on a Friday (unless your child attends after school club on that day).

### Water Bottles.

As the weather is warming up it is important that all children have a water bottle in school every day. Children always have access to their water to ensure they remain hydrated.

### Reading Books.

Book bags should come into school on a Monday morning containing 2 reading books and your child's reading diary. Please read with your child every week and sign or comment in the reading diary. Staff then know when books have been read and need to be changed.

### Labelling Uniform.

As the temperature increases, children are more likely to be removing coats, jumpers, cardigans and sweatshirts whilst at school. Labelling all uniform with your child's name means these items are much more likely to find their way back to you if they are misplaced.

### Homework.

Maths and English homework is set every Wednesday on Seesaw to be completed by the following Wednesday. Work is also set on Seesaw for Friday afternoon due to the early finish. This is usually spellings and another activity. Paper copies of work can be provided if you have problems accessing Seesaw.

### P.E.

P.E. lessons take place on a Tuesday and a Thursday. All children should have a P.E. kit in school which should consist of pumps or trainers, T-shirt and shorts or joggers.

### Forest Schools.

Forest school lessons take place on a Friday morning. Children should have suitable footwear and clothes for Forest School that you don't mind them getting dirty and muddy!

### Sun Hats and Sun Cream.

On warm days, please send in sun hats and sun cream so we can ensure your child is fully protected.

### Class Dojos.

We will be using Class Dojos for the remainder of this term. Each child now has their own Chosen Dojo. We have started our "Dojo Journey" collecting dojo points for positive things such as being helpful, polite, persevering and completing homework tasks to mention but a few.

Thank you so much for your continued support,

The Year 2 Team.
