

Maths Newsletter

Dear parents/carers,

In school we follow the White Rose maths scheme. It covers all aspects of the curriculum in a fun and child friendly way. Below is the overview of Year 1 and what blocks we cover. You can see that each block follows on and builds on previous blocks.

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn term	Number Place value (within 10) FREE TRIAL VIEW					Number Addition and subtraction (within 10) VIEW					Geometry Shape VIEW	Consolidation
Spring term	Number Place value (within 20) VIEW	Number Addition and subtraction (within 20) VIEW			Number Place value (within 50) VIEW	Measurement Length and height VIEW	Measurement Mass and volume VIEW					
Summer term	Number Multiplication and division VIEW	Number Fractions VIEW	Geometry Position and direction VIEW	Number Place value (within 100) VIEW	Measurement Money VIEW	Measurement Time VIEW	Consolidation					

There is also a home learning section on the White Rose website:

<https://whiteroseeducation.com/parent-pupil-resources/maths/home-learning?year=year-1-new>

When you click on a block, home learning videos will come up for you and your child to do at home. **(PLEASE don't be tempted to skip ahead – the blocks need to be taught in order).**

There is also a section for free downloads with questions for your child to complete – **again please don't be tempted to skip ahead.** They are also free to download off Amazon too.

<https://whiteroseeducation.com/parent-pupil-resources/maths/free-downloads>

White Rose have also produced an app for children to use called One Minute Maths

<https://whiteroseeducation.com/1-minute-maths>

The app is free and available to download from Apple store, Google Play store and Amazon store.

The app is split into 5 sections and is for children in Year 1 to 6, so please be aware the children will not be able to access some of the games yet. See below for the Year 1 games:

Subitising	Addition	Subtraction	Multiplication	Division
Autumn Term: All games	Autumn Term: Add 0,1 or 2 Add within 10 Bonds to 10 Spring game: Add 10 Add across 10 Bonds to 20 Summer Term: The rest of the games	Autumn Term: Subtract 1 Subtract 2 Subtract from 10 Subtract within 10 Spring Term: Near Subtraction Subtract 10 Summer Term: The rest of the games	Summer Term: Count in 2s Count in 5s Count in 10s Count in 100s Equal Groups	Summer Term: Halves Odd and even numbers

There is also a parent's guide to teaching some of the sections, presented by TV presenter Michael Underwood.
