

8th September 2021

Dear Parents and Carers,

This half term, Year 5 are learning about Space and the Solar System. On Thursday 23rd September 2021, a mobile planetarium company called WonderDome (www.wonderdome.co.uk) will be visiting our school. A mobile planetarium will be set up in our school and WonderDome's astronomy presenters will work with the children.

This is a unique experience for the children to explore our Solar System first hand through a presenter-led show immersed in a real planetarium setting.

To make this experience possible we will need to ask parents/carers to make a **contribution of £6.00 per child** on the understanding that without this we may not be able to proceed with the event. We would therefore appreciate it if you could make a payment **online** by Monday September 20th at the latest.

Please visit:

<https://www.civicaepay.co.uk/BuryEstore/estore/default/Catalog/Index?catalogueItemReference=C0000506&showSingleProduct=True&recurringOnly=False>

You will need your child's UPN code to make the payment, please email the office using contact@heatonparkbury.com if you have misplaced this.

If you have any problems in making this payment please speak to the office.

Yours Faithfully,

Miss Bulger and Miss Duffy
