Year 2: **Financial Education**

Spend it, save it, give it, get it?

Dear Parents/Carers,

Next week we will be giving our year two children the opportunity to earn shells to buy a ticket to a Teddy Bears Party, on Friday afternoon.

Your child will start the week with 10 shells and will be given the opportunity to earn more during the week.

Your child will then have the choice, throughout the week, to spend their earned shells on extended break times or save them for the party.

Our aim is to give our children practical experience in managing their own money (in our case 'shells').

We hope you will support us with this practical activity by discussing with your child shells they have spent and saved.

Year 2 Team
