Year 5 Residential visit to Malham YHA

8th January 2025

Dear Parents and Carers,

We are proposing to take our Year 5s on a one night residential visit to Malham YHA Centre on Tuesday 6th May 2025 and returning on the Wednesday 7th May 2025. This is part of the development of the outdoor and adventurous experiences that we offer here at Heaton Park. Malham lies within the Yorkshire Dales National Park and is an area of outstanding natural beauty. The area is famous for Malham Cove and its limestone pavement, Gordale Scar and Janet's Foss.

Our children will spend one night at the Youth Hostel in Malham and experience the outdoors in different ways, which will also help support parts of our curriculum and in particular geography. The details of the visit have yet to be finalised but will include an adventurous walk and utilising map skills, stream and wildlife studies, team challenges and just having a great time.

The cost of the visit (which includes travel, a range of activities, meals and accommodation) will be **£65**. Please also be aware that's school is also subsidising the cost of this visit.

This will be a fantastic experience for your children and I would fully encourage you to agree to them attending this visit. In the first instance could you please fill out the consent form and pay an initial deposit payment of **£10 by 14th February on SCOPAY**. You can then pay in installments or in one go.

Kind regards,

Mr P.J.Lord

Head Teacher **Mr Paul Lord**
