

Geography Long Term Plan

Year 3	Key Skills	Content/Unit or Topic	Curriculum Links	Key Facts	Key Vocabulary
<p>Locational Knowledge</p>	<p>Locate and name the continents on a World Map.</p>	<p>Use World Map to locate and name continents. Focus on Europe.</p>		<p>Europe is one of the seven continents of the world.</p>	<p>Continent</p>
	<p>Locate the main countries of Europe inc. Russia. Identify capital cities of Europe.</p>	<p>Identify main countries of Europe including some Capital cities. Compare position of countries within Europe and links to climate.</p>		<p>There are 44 countries in Europe. Moscow is the largest city in Europe. Russia has the highest mountain (Mount Elbrus) and the longest river (The Volga River) in Europe. The Euro is the currency used by most countries.</p>	<p>European Union Euros Border Location Destination Population Climate Tourism</p>
	<p>Locate and name the countries making up the British Isles, with their capital cities.</p>	<p>Use maps to locate countries and capital cities in the British Isles. Compare Manchester with other UK capital cities e.g. population size, area size.</p>		<p>London is the capital of England; Cardiff the capital of Wales, Edinburgh the capital of Scotland and Belfast the capital of Northern Ireland.</p>	<p>Capital Population Urban</p>
	<p>Identify longest rivers in the world, largest deserts, and highest mountains. Compare with UK.</p>	<p>Identify the River Nile and why early ancient Egyptians settled there.</p>		<p>History – ancient Egypt.</p>	<p>Delta</p>
	<p>Identify the position and significance of Equator, N. and S. Hemisphere, Tropics of Cancer and Capricorn.</p>				

Geography Long Term Plan

<p>Place Knowledge</p>	<p>Compare a region of the UK with a region in Europe, eg. local hilly area with a flat one or under sea level. Link with Science, History.</p>	<p>Know the main similarities and differences between Rome and Manchester.</p> <p>Use maps and geographical data to compare physical and natural features, area, climate and population</p>	<p>History- Ancient Rome</p>	<p>Rome is the capital of Italy, Greater Manchester is the 2nd largest in UK in terms of population. Rome and Greater Manchester are similar in area and population. Both were part of the Roman Empire. Rome has a warmer climate. In Rome they speak Italian and their currency is the Euro.</p>	<p>Urban, rural, metropolitan, human, physical, population, climate, area</p>
<p>Human & Physical Geography</p>	<p>Describe and understand key aspects of: Physical geography including Rivers and the water cycle, excluding transpiration, brief introduction to Volcanoes and earthquakes linking to Science: rock types.</p> <p>Human geography including trade links in the Pre-roman and Roman era. Types of settlements in Early Britain linked to History. Why did early people choose to settle there?</p>	<p>Major rivers in Europe including the Volga and the Danube.</p> <p>Volcanoes</p> <ul style="list-style-type: none"> • Where in the world volcanoes are located. • What causes volcanoes to erupt? <p>Settlements</p> <ul style="list-style-type: none"> • Stone Age settlements (Skara Brae). • Where and why did Romans invade/settle in Britain? 	<p>Science – rocks and soils. English – Escape from Pompeii text. History – Romans.</p> <p>History – Prehistoric Britain and Roman Britain.</p>	<p>The Danube is the most important commercial waterway in Europe.</p>	<p>Commercial</p>

Geography Long Term Plan

<p>Geographical Skills & Field work</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied.</p> <p>Learn the eight points of a compass, 2 figure grid reference (maths co-ordinates), some basic symbols and key (including the use of a simplified Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world</p> <p>Use fieldwork to observe and record the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.</p>	<p>Use of maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and capital cities of the UK and major countries in Europe.</p> <p>Learn the eight compass points (N, NE, E, SE, S, SW, W, NW).</p> <p>Use OS maps to identify human features in Manchester and Rome recording appropriate coordinates.</p>	<p>Maths – turns and angles.</p>		<p>Compass points, north, south, east, west, ordnance maps</p>
