

# Year 4 Summer 1 - Dragons Homework Project

This half term we are learning all about real life dragons. In Science we are studying Living things and their Habitats.

Please aim to complete as many challenges as you can over this half term (try to do one per week).

Bring in your homework projects to share with the class, as soon as you complete them.

Be as creative as possible and think of different ways to present your work!

<p><u>Challenge 1</u></p> <p>Write a non-chronological report about your favourite animal.</p> <p>Please include pictures or photos with captions.</p>	<p><u>Challenge 2</u></p> <p>Take a short walk with an adult around your local habitat - your garden or local park for example.</p> <p>Design a poster, explaining how your local environment has changed or may change in the future.</p>	<p><u>Challenge 3</u></p> <p>Draw a map of your local area or garden and add any animals you might find there. Can you research facts about them and their Latin names?</p>
