Tuesday 24th May 2022

Dear Parents and Carers,

Our Rock and River trip is now fast approaching and we would like to provide you with some more information.

On **Thursday 16th June 2022**, please arrive at school for **8.20am** prompt. The coach will be leaving at **8.30am** so that we can start our activities on time at 9.30am. **Please ensure any children who suffer with travel sickness or hay fever are given required medication prior to arriving to school.**

We are hoping to arrive back at school at approximately **5pm**. Please be at the school gates ready to collect your child. Any children that would usually be in after school club can go as normal. Please let us know if this is the case. Please note that we will not be allowing children to walk home by themselves. If we are stuck in traffic, we will send a text message informing you of our expected arrival time as soon as we can.

Children will need a packed lunch for the day. A reminder that all packed lunches must be nut free. Any items that are not nut free will be taken and returned at the end of the day. If your child has school dinners and you require a packed lunch from the kitchen, please make a member of the Year 5 team or the school office aware **by Monday June 13th**.

Attached below is a kit list for the day. This states what children need to bring, wear on arrival to school and also what children should not bring with them. Please make sure that you bring each item on the list but do not go shopping especially for the trip as clothes and shoes are likely to get wet and dirty.

If you have any further queries about the trip, please do not hesitate to contact us. For those who are still to pay for this fabulous experience, please go to:
